DESTINY MORALES
CASA CENTRAL SCHOOL AGE PROGRAM
1335 N CALIFORNIA AVE
CHICAGO IL 60622-2803

Dear Destiny,

Congratulations!

Casa Central School Age Program has met the eligibility requirements for the ExceleRate Illinois Silver Circle of Quality.

Achieving this designation demonstrates your program's commitment to providing quality care to Illinois' children. ExceleRate Illinois unifies all our state's early learning programs under a common set of standards across multiple delivery settings and supports programs that integrate and sustain best practices, while publicly recognizing your program's achievement towards higher quality.

Your program's Silver Circle of Quality designation will remain in effect for a three-year period by submitting an annual report every 12 months.

If your program cares for children receiving Child Care Assistance Program (CCAP) payment, a quality add-on is available at the Silver and Gold Circles of Quality. For information on the quality add-on and other ExceleRate incentives, please visit www.exceletrateillinoisproviders.com.

Note: Providers are responsible for reviewing monthly CCAP payments for accuracy and reporting add-on errors immediately to INCCRRA. Retroactive payments will not be issued. If there are program changes that could affect your add-on or if you begin caring for families receiving CCAP assistance in the future, please contact INCCRRA and your local CCR&R to ensure there is no interruption in add-on payments.

Your program's ExceleRate Illinois certificate is enclosed. Your program and Circle of Quality will be listed on the ExceleRate parent website as an option for families looking for an early learning and development program for their child(ren).

Congratulations on your program's achievement of the ExceleRate Illinois Silver Circle of Quality and continued commitment to quality early learning and development.

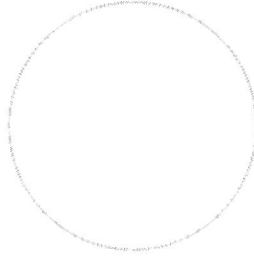

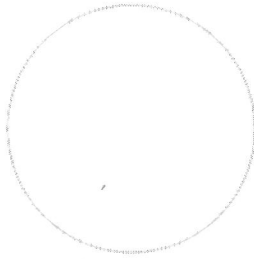

Sincerely,

Jeanette Eidson
ExceleRate Illinois Specialist
