CASA CENTRAL 2025 ANNUAL GALA SPONSORSHIP PACKAGE

Leading with Purpose:
Women Inspiring Change

Friday, October 24, 2025 | Lacuna Lofts, Chicago

Please join us for the 2025 Casa Central Gala

We invite you to join us as a sponsor of Casa Central's 2025 Annual Gala, a night dedicated to celebrating impact, leadership, and lasting change. For more than 70 years, Casa Central has been a pillar of hope and opportunity, providing life-changing programs that empower hundreds of children, adults, and families in need each day. Your sponsorship will help ensure that these vital services continue—enhancing the lives of individuals and families, and fostering stronger, more vibrant communities.

This year's gala theme, **Leading with Purpose: Women Inspiring Change**, honors the strength of women in service — whose compassion, vision, and dedication transform lives.

Women are at the heart of Casa Central's mission — leaders, advocates, donors, volunteers, and the dedicated staff who make up 92% of our team. In a time of growing inequality, these women stand as beacons of hope, ensuring no one is left behind.

We are proud to recognize extraordinary women whose leadership, advocacy, and unwavering commitment to service embody this theme. Their work has strengthened communities, empowered individuals, and paved the way for a more just and equitable future. We celebrate their resilience, honor their strength, and shine a light on their immeasurable contributions to creating a more compassionate world.

These women remind us that true leadership lies in serving others with courage, commitment and purpose.

Programs that *Transform Lives*

Your support will make it possible for us to continue delivering life-changing programs that empower hundreds of children, families, and older adults in need each day. Your sponsorship of the Annual Gala will help sustain these vital services—providing individuals and families with the resources to thrive while strengthening the communities we serve. Together, we can make a lasting impact and build a brighter future for those who need it most.

At Casa Central, we believe no one should face hardship alone. We honor the dignity of every person and embrace our shared responsibility to uplift one another. By meeting people where they are, we address critical needs at every stage of life.

Each year, we serve more than 5,600 individuals through three core program areas: Children and Youth, Individuals and Families, and Older Adults.

Children and Youth Services: Inspiring Lifelong Learning

Casa Central's Early Learning Academy (ELA) and School Age Program support children's educational and social development. The ELA offers home- and center-based early childhood development for children ages 0-5. The School Age Program serves children ages 5-12, providing academic support and social-emotional learning in a safe, supportive environment. These programs set children up for success, ensuring families have access to quality education and care while parents work or attend school.

Individuals & Families: Providing Safety & Fostering Self-Reliance

Casa Central's programs for individuals and families create stability and support self-sufficiency. The Violence Prevention and Intervention (VPI) program offers counseling and advocacy for individuals who have experienced domestic violence, abuse, and trauma. Intact Family Services strengthens families and promotes child well-being. La Posada offers transitional housing and resources to help families experiencing homelessness achieve permanent stability. Through these services, we empower individuals to heal, grow, and contribute to their communities.

Older Adult Services: Promoting Active, Healthy Lifestyles

For more than 40 years, Casa Central has provided compassionate, culturally responsive care for older adults. The Adult Wellness Center (AWC) offers socialization, fitness, and health programs that support emotional, cognitive, and physical well-being. Our Home Care Services program assists older adults with daily living tasks, helping them maintain independence and dignity. These services ensure older adults receive the support they need to lead active, fulfilling lives.
