Traffic Safety Presentations focusing on Child Passenger Safety

The Northwestern Medicine Traffic Safety Resource Center offers free Traffic Safety Presentations, Child Passenger Safety Seat Inspection Events and Certification Courses. Certified technicians will inform parents and caregivers on the current state laws and best practices for keeping children and families safe in and around vehicles.

Learn the 5 important steps on keeping your child safe while traveling.

1. Selection
2. Direction
3. Location
4. Harnessing
5. Installation
