ILLUMINATE

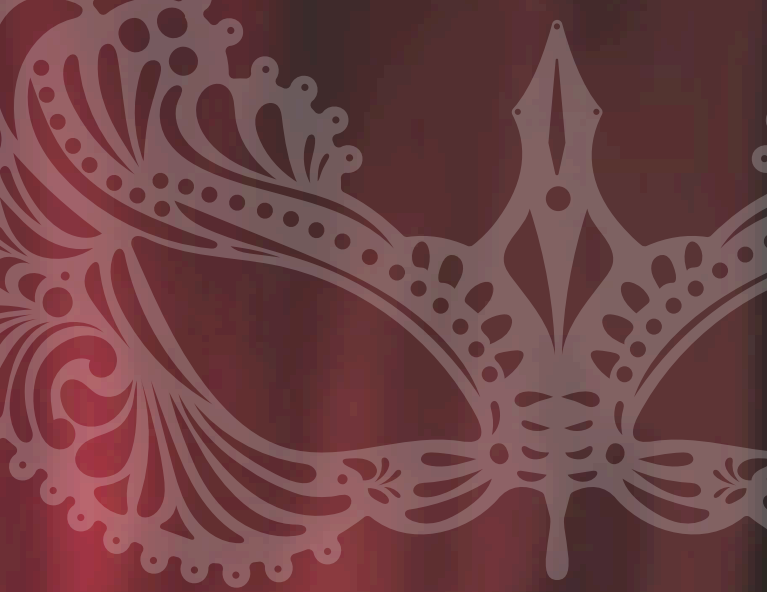

A MASQUERADE GALA

We invite you to join us as a sponsor of Casa Central's Illuminate: A Masquerade Gala. This special evening brings guests together to celebrate light, purpose, and collective impact — honoring individuals and communities whose leadership helps guide others toward opportunity and hope.

Throughout the night, **we will recognize inspiring leaders while highlighting Casa Central's transformative work supporting children, families, and older adults across the Chicago region.** Every day, our programs create brighter futures grounded in dignity, resilience, and community support.

The masquerade element brings a joyful spirit of creativity with a deeper meaning. In recent years, masks have often symbolized distance or division. **At Illuminate: A Masquerade Gala, masks become expressions of identity, imagination, and unity** — a vibrant symbol of the community we share and the collective commitment we bring to strengthening it.

Guests are invited to wear elegant or festive masks that reflect their own sense of creativity and celebration. Together, we gather not to hide who we are, but to shine more brightly — illuminating a path forward for those who need it most.

Your sponsorship makes this possible. With your support, Casa Central will continue providing life-changing programs that empower thousands of children, adults, and families each year across the Chicago region. Your partnership helps ensure these essential services remain strong — fostering healthier, more vibrant communities.

Together, We're Illuminating a Path Forward!

Casa Central is honored to recognize the Hispanic Lawyers Association of Illinois (HLAI) as the 2026 recipient of the Pastora San Juan Cafferty Award, our highest recognition for leadership and community impact, with Julio Costa, President of HLAI, accepting the award on the organization's behalf. Presented annually, the award celebrates an individual or organization whose work strengthens communities and uplifts lives, embodying the legacy of Pastora San Juan Cafferty—a distinguished scholar and civic leader whose influence helped shape Chicago's Latino and philanthropic communities.

HLAI is recognized for its exceptional commitment to justice, dignity, and protection for individuals and families. Through its Rapid Response Network, HLAI volunteer attorneys have played a critical role in responding to recent immigration enforcement-related activity, providing legal counsel, guidance, and de-escalation support during moments of profound uncertainty. This dedication extends to Casa Central participants and staff, who have benefited from HLAI's pro bono legal services and ongoing partnership.

ILLUMINATING A PATH FORWARD

Programs Making an Impact

Your support will make it possible for us to continue delivering life-changing programs that empower thousands of children, families, and older adults. Your sponsorship of our Annual Gala will help sustain these vital services—providing individuals and families with the resources to thrive while strengthening the communities we serve. Together, we can make a lasting impact and build a brighter future for those who need it most.

At Casa Central, we honor the dignity of every person and embrace our shared responsibility to uplift one another. By meeting people where they are, we address critical needs at every stage of life.

Each year, we serve thousands of children, families and older adults through three core service areas: **Children and Youth Services, Individual and Family Services, and Older Adult Services.**

Children and Youth Services: Inspiring Lifelong Learning

Casa Central's Early Learning Academy (ELA) and School Age Program support children's educational and social development. The ELA offers home- and center-based early childhood development for children ages 0-5. The School Age Program serves children ages 5-12, providing academic support and social-emotional learning in a safe, supportive environment. These programs set children up for success, ensuring families have access to quality education and care while parents work or attend school.

Individual and Family Services: Providing Safety & Fostering Self-Reliance

Casa Central's programs for individuals and families create stability and support self-sufficiency. The Violence Prevention and Intervention (VPI) program offers counseling and advocacy for individuals who have experienced domestic violence, abuse, and trauma. Intact Family Services strengthens families and promotes child well-being. La Posada offers transitional housing and resources to help families experiencing homelessness achieve permanent stability. Through these services, we empower individuals to heal, grow, and contribute to their communities.

Older Adult Services: Promoting Active, Healthy Lifestyles

For more than 40 years, Casa Central has provided compassionate, culturally responsive care for older adults. The Adult Wellness Center (AWC) offers socialization, fitness, and health programs that support emotional, cognitive, and physical well-being. Our Home Care Services program assists older adults with daily living tasks, helping them maintain independence and dignity. These services ensure older adults receive the support they need to lead active, fulfilling lives.
